Come and learn about the 55th Street Sub-Area Plan!

Please join us to learn more about the preliminary recommendations for the Clarendon Hills 55th Street Sub-Area Plan!

We will be looking for feedback from the community about the plan's initial ideas on these topics:

- Land Use & Zoning
- Urban Design & Community Character
- Markets and Economic Development
- Infrastructure and Transportation
 - Annexation Policy
 - Community Outreach

The input that is received will help the planning consultants develop final recommendations. Join us and let your voice be heard!

If you are unable to attend the open house, we would encourage you to provide feedback on the project website at clarendonhillsplan.com, where you can learn more about the plan and follow along in the planning process.
